Kohout, Luedke, Douglas G. Drake and William F. Wenz, Commissioners, and Linda Kastanek, County Clerk. County Attorney Tad Eickman was present between court commitments.

Wenz moved to approve the minutes of the March 31, 2009 meeting, seconded by Henning. Voting aye were Wenz, Henning, Kohout, Drake and Luedke, nays none, motion carried.

Representatives from Windstream were present to discuss the problems we have had with the billings. After much discussion, the Board was told that it would probably be two more billing cycles before everything will be straightened out. The Representatives will come back on May 12th for further discussion.

County Treasurer Deb Spanyers presented the Return on Public Tax Sale report to the Board. She stated that there were 18 bidders who purchased taxes, and sold a total of almost \$150,000 in taxes comprising 108 different parcels to the different investors. This report is on file in the County Clerk's office.

At 10:15, Chris Kelly, with the NE Dept. of Agriculture Region 1 Inspector for 18 counties, gave the annual Weed Supt. Evaluation report. There are 4 parts to the evaluations. The first part is the inspections he does in the county. Weed Supt. Lyle Weber received 1000 points. The second part is office evaluation, checking the Weed Supt. Reports. He was awarded 975 points because one of the newspapers did not publish the regulation size legal notice. The County Reports are submitted to the State by January 31st of each year, and Weber was awarded the full 1000 points. The last segment is the continuing education, and Weber met all the education requirements, receiving 400 points, for a total of 3375 points out of a possible 3400.

Melvin Vavra, addressed the Board with his concerns on roadside trapping, and requesting the Board to opt out of grader ditch trapping. After discussion, County Attorney Eickman stated that he would do some research to see what needs to be done to opt out.

At 10:38 a.m., Luedke announced that the Board would take a short break.

At 10:45 a.m., Luedke announced that the Board would reconvene.

The Board discussed upgrades at the County Communications Center with Sheriff Alan Moore, Dispatch Supervisor Diane Troshynski and Emergency Management Coordinator BJ Fictum, who was present via telephone conference call. They explained that the Communications Center needs to be updated from a single-position, single-dispatcher setup to a two-position system that includes a new radio dispatch console system, Enhanced 9-1-1 answering system ad console furniture. Fictum explained that the radio console upgrade would be totally funded by a Homeland Security grant. Troshynski explained the Enhanced 9-1-1 system is over 25 years old and is incompatible with many newer technologies, including Phase II Wireless 911. The new system would be compatible with what's coming down the road in several years and with the rest of the consoles in area counties. She explained that parts are no longer available for the 9-1-1 equipment. Dispatchers answer all lines for the Jail and the Sheriff's office as well as 9-1-1 calls. A two position system will also require new furniture. After more discussion, Henning moved to approve the new 9-11 system for \$99,788.80; the new dispatch console for \$99,162.70; and furniture for \$37,409.00. Part of the costs will be covered by the Homeland Security Grant, part will come from the Public Service Commission Wireless 9-1-1 surcharge fees, with the balance paid by the county. The motion was seconded by Kohout. Voting aye were Luedke, Drake, Henning, Wenz and Kohout, nays none, motion carried.

The regular meeting of the Saline County Board of Commissioners was called to order at 9:32 a.m. on December 8, 2009, by Chairperson, Willis D. Luedke. Present were Janet J. Henning, Marvin A. Kohout, Luedke, Richard D. Jiskra and William F. Wenz, Commissioners and Daryl Fikar, Deputy County Clerk. County Attorney Tad Eickman was present between court commitments.

Luedke advised those present of the open meetings law.

Henning moved to approve the agenda. Motion was seconded by Kohout. Voting aye were Wenz, Henning, Kohout, Luedke and Jiskra, nays none, motion carried.

Wenz moved to approve the minutes of the Nov. 10, 2009 meeting, seconded by Henning. Voting aye were Luedke, Jiskra, Henning, Wenz and Kohout, nays none, motion carried.

Wenz reported attending a SCAT meeting where they approved the purchase of land for the new building, and that he was appointed to the building committee. He also reported attending the union negotiation meeting on December 1.

Kohout reported receiving three requests to inspect county roads.

Luedke attended a Homeland Security meeting in Dorchester on December 2 and the union negotiation meeting on December 1st.

Henning reported attending a Homeland Security meeting in Dorchester on December 2nd, where they discussed the new radio communication system currently being constructed in the western part of Nebraska. They will complete the system from the west working east. It was discussed whether there would be enough money to complete and maintain the system.

Luedke reported on correspondence received from Smith Hayes concerning recovery zone bonds which was forwarded to Tom Sorenson of Edward Jones & Co. for his opinion.

At 9:45, Henning moved to open the public hearing to authorize bonds for Tabitha, Inc. to purchase Garden Square Assisted Living Center in Crete. Motion was seconded by Kohout. Voting aye were Jiskra, Henning, Wenz, Kohout and Luedke, nays none, motion carried. Present for the hearing were Loren Wismer and Lisa DeBuse of Gilmore Bell, Dave Jackson from Tabitha, Inc. and Blaine Spady from Smith Hayes. Wismer explained to the Board that the Hospital Authority No. 1 of Saline County has approved the issuance of the bonds, but IRS statutes require that the highest elected body in the county is also required to approve the issuance of the bonds. After discussion, Henning moved to approve Resolution 09-39, approving bond issuance, seconded by Wenz. Voting aye were Henning, Wenz, Kohout, Luedke and Jiskra, nays none, motion carried.

Following the bond discussion, Wismer explained to the Board that the Hospital Authority Board currently has only three members, since one member is deceased and one has moved out of Saline County. However, they are still a valid authority, since three members represents a quorum. Three names were suggested by the Board for replacements, and they will be contacted.

Henning moved to approve the County Clerk report of fees for November in the amount of \$5,611.63, seconded by Kohout. Voting aye were Wenz, Kohout, Luedke, Jiskra and Henning, nays none, motion carried.

Henning moved to approve the Clerk of the District Court report of fees for November in the amount of \$4,417.25, seconded by Jiskra. Voting aye were Kohout, Luedke, Jiskra, Henning and Wenz, nays none, motion carried.

At 10:15, Luedke announced that the elected official salaries for the years 2011 through 2015 need to be set prior to the election filing deadline of February 15, 2010. Raises are currently calculated according to the consumer price index at the end of September. Discussion included changing this date to earlier in the year, possibly April or May to allow more time to calculate the yearly budgets, which are due prior to July 1. Also discussed was setting a minimum raise if the C.P.I. does not go up during the year. It was decided that surrounding counties would be contacted to determine whether they had yet set their salaries and at what level. Luedke stated that there are several factors at the local level that must be considered before salaries could be set. He would like to have the process for setting salaries through 2015 determined by the next meeting in two weeks. According to state statute, salaries must be set by January 15, 2010.

Luedke reported the availability of a grant from the Dept. of Energy under the Energy and Conservation Block Grant Program, and suggested that we find someone to write the grant proposal for Saline County, possibly Siemens. Wenz suggested that Southeast Nebraska Development District would be willing to write it for the County. Luedke reported to the Board that Saline County Planning and Zoning Board is currently looking for three new members. Wenz proposed appointing Ron Sack of Crete to the board. Wenz moved that Ron Sack be appointed to the Planning and Zoning Board, seconded by Henning. Voting aye were Luedke, Jiskra, Henning, Wenz and Kohout, nays none, motion carried.

Wenz moved to approve Resolution 09-40, transferring \$50,000.00 from the General Fund to the Building fund, seconded by Kohout. Voting aye were Jiskra, Henning, Wenz, Kohout and Luedke, nays none, motion carried.

Henning moved and Wenz seconded approving the memorandum of understanding with Heartland Big Brothers/Big Sisters, in which Saline County administers funds distributed from the Nebraska Crime Commission to the Big Brothers/Big Sisters organization. Voting aye were Henning, Wenz, Kohout, Luedke and Jiskra, nays none, motion carried.

At 10:50, Luedke announced that the Board would take a short break and Commissioner Henning announced that she was excusing herself due to the weather.

At 10:58, Luedke announced that the Board would reconvene.

Due to the weather, Mike Onnen from LBBNRD was unable to attend the meeting, but Bruce Filipi was present to update the Board on an LBBNRD project in SW Saline County. He said that after consideration and speaking with local landowners, he is opposed to allowing the LBBNRD to install a light warning system at the proposed location for road over-flow. Notice will be sent to LBBNRD indicating that other methods for dealing with the over-flow must be considered. Wenz moved, seconded by Jiskra, not to endorse the light warning system. Voting aye were Wenz, Kohout, Luedke, and Jiskra, nays none, motion carried.

After discussion, Wenz moved and Jiskra seconded the Board, due to the weather, close the courthouse at 1:00 and to not reopen until 8:00 on December 10. Voting aye were Kohout, Luedke, Jiskra and Wenz, nays none, motion carried.

At 11:15 Kohout moved to enter Executive session, seconded by Jiskra. Voting aye were Luedke, Jiskra, Wenz and Kohout, nays none, motion carried.

Willis D. Luedke, Chairperson	William F. Wenz

The regular meeting of the Saline County Board of Commissioners was called to order at 9:30 a.m. on December 22, 2009, by Chairperson, Willis D. Luedke. Present were Janet J. Henning, Marvin A. Kohout, Richard D. Jiskra, Luedke and William F. Wenz, Commissioners and Linda Kastanek, County Clerk. County Attorney Tad Eickman was present between court commitments.

Luedke advised those present of the open meetings law.

Wenz reported that he had not attended any meetings, but noted that there had been a fire in the building next to New Beginnings in Crete and they were closed for a week due to smoke damage. He has been helping with clean-up.

Jiskra had not attended any meetings.

Kohout reported attending the NACO Convention on Thursday and Friday in Lincoln. He attended a Planning and Zoning meeting where they discussed different concerns with wind towers near roads, etc.

Luedke attended the NIRMA Board meeting where they approved the Assist Program requests. Saline County was approved for two of their three requests to receive grant money for the Roads Dept. and law enforcement. He attended the NACO Convention, an RC&D meeting last Thursday where we have been approved for a used electronics collection grant, to be collected next spring. He stated that Jerry Berggren from Berggren Architects is working on energy grants from the US Energy Office, and is working with Dave Taladay of SENDD to replace the boilers on an 80-20 grant, and possibly a grant to replace the windows in the Court House. Berggren is working with the Veterans' Memorial committee and the County will pick up the Engineering and Architectural fees.

Henning did not attend any meetings.

Randy Pryor, Extension Educator, filed the annual report. He noted that Eric Stehlik is now a certified ATV instructor. He also stated that Leanne Manning received an award at the National 4-H meeting for her program on "Making Cents of It".

Pryor updated the Board on Wind Energy meetings, easements that have been filed in the County Clerk's office, and discussed testifying as a private citizen on LB568, which tells how the easements should read and how to file them. Darrel Hayek, the vice president of the Saline County Wind Association and Doug Horak, treasurer for the Wind Association were also present.

At 10:00 a.m., county officials were present to discuss the 2011, 2012, 2013, and 2014 salaries. After much discussion, Luedke announced that there would be no raise for elected officials for 2010. He stated that the salaries would be set for the four year term according to the NACO recommendation. A Resolution will be drawn up for approval at the January 5, 2010 meeting.

At 11:35 a.m., Luedke announced that the Board would take a short break.

At 11:47 a.m., Luedke announced that the Board would reconvene.

The 11:40 a.m. visit from Stan Dobrovolny, with Landowners for Fairness, has been postponed to a later date.

Highway Superintendent Bruce Filipi presented Resolution 09-41, requesting Relaxation of Standards for Bridge NO. C007612025 located between Sections 14 and 23-7-3. The bridge was programmed for replacement utilizing federal aid bridge replacement funds and the bridge was designed prior to September 2008. Moved by Henning to approve the Resolution, seconded by Jiskra. Voting aye were Kohout, Jiskra, Wenz, Luedke and Henning, nays none, motion carried.
